

## INSTRUCTIONS FOR APPLICATION OF DIGID CODE

DigiD stands for digital identity and is a strictly personal combination of a user name and a password.

The DigiD code is required for private persons to submit their income tax return. With the DigiD code you can also arrange matters electronically, such as:

- Estimated tax refund (deduction mortgage interest for privately-owned home)
- Care allowance
- Rent allowance
- Childcare allowance
- Child Budget

You can apply for your personal DigiD log-in code online through [www.digid.nl/aanvragen](http://www.digid.nl/aanvragen).

### INSTRUCTIONS

1. Go to the internet site: [www.digid.nl](http://www.digid.nl)
2. Click the field: I am a citizen
3. Click the text in the left column: application
4. Fill in your particulars (attention: use the address under which you are recorded in the population register).
5. Fill in a user name and a password and **write these down on a piece of paper!**
6. **Do not fill in sms identification and do not give mobile phone numbers! Press 'skip'.**
7. Within 1 week you will receive an activation number at home by post.
8. Go to the internet site: [www.digid.nl](http://www.digid.nl) again.
9. Click the text in the left column: activate.
10. Follow the instructions and activate your user name and password.
11. Now your DigiD code is activated and valid.
